Dear Parents and Teachers,

I graduated from La Salle College in 1994 and proudly represented the Athletics team that won the Overall Championship that year. As the father of two current students at LSC, I am deeply committed to nurturing future leaders through supporting their education and development.

My academic journey took me to the UK, where I earned undergraduate and postgraduate degrees from Oxford, Imperial College London, and Cambridge. I am currently pursuing my fourth degree at Harvard University while managing my own asset management company.

With over 25 years of experience in finance, including C-suite roles in prominent family offices across Asia, I believe I can contribute to the LSCPTA through my extensive personal and professional networks. My experience as a school council member at Hong Kong's largest international school further equips me to support the LSCPTA.

Warm regards,
Gideon Ho
